Booking.com is the leader in online travel. Book and manage trips or make hotel reservations at over 1 million destinations. Download the free app, check hotel availability, find and book a deal, and more, right on your mobile phone. Download FMOD Studio for free and experience the power of FMOD, the de-facto audio middleware for game developers. Supported Platforms Windows Mac Android Windows Windows Releases See the release schedule in the documentation. The software license of the binary version is provided as follows: Run-Time Software License Developers/users of this product may use this product in any application/game, provided that the usage is not configured to extend the capabilities of this product. In this scenario, this product will run in a more limited ability, and the result should be a binary which runs a normal function. In this case, a developer must follow the Microsoft redistribution guidelines. To ensure the correct use of this product, make sure the software license file is in the same location as the installation files. Developer's Guide Documentation Mailing Lists The current version of FMOD Studio is available on the following mailing lists: The FMOD team is now accepting feature suggestions, bug reports and general feedback. Please post requests to the following list. We'll keep them all in order and try to act on them as fast as we can. Q&A Forum Development Support If you would like to help us fix some of the bugs, please visit this forum to provide suggestions and inform us of any issues. Thanks for 1cdb36666d
